Information is also available on the USPTO Internet web site:

Respond to the Notice of Abandonment by one of the following:

1. Petition To Withdraw Holding of Abandonment (See MPEP 711.03(c) I and 37 CFR § 1.181) No fee required

Where an applicant contends that the application is not in fact abandoned (e.g., a reply was in fact filed), a petition under 37 CFR § 1.181(a) requesting withdrawal of the holding of abandonment is the appropriate course of action. Any petition under 37 CFR § 1.181 to withdraw the holding of abandonment not filed within 2 months of the mail date of a Notice of Abandonment may be dismissed as untimely under 37 CFR § 1.181(f). In order for a petition to be granted, the evidence must be sufficient according to 37 CFR § 1.8(b) Certificate of Mailing 37 CFR § 1.10 "Express Mail" mailing or MPEP 503 Postcard Receipt as Prima Facie Evidence. The petition should be addressed as follows:

By mail: Mail Stop: Issue Fee, Commissioner For Patents, P.O. Box 1450, Alexandria, VA 22313-1450
By facsimile: 703-872-9306

2. Petition To Withdraw Holding Of Abandonment Based On Failure To Receive Office Action (MPEP 711.03(c) II and 37 CFR § 1.181). No fee required

Where an applicant contends that the original Notice of Allowance and Fee(s) Due was never received, if adequately supported, the Office may grant the petition and remail the Office action. The showing required establishing non-receipt of an Office communication must include a statement from the practitioner stating that the Office communication was not received and attesting to the fact that a search of the file jacket and docket records indicates that the Office communication was not received. A copy of the docket record where the nonreceived Office would have been entered had it been received and docketed must be attached to and referenced in practitioner's statement.

Petition should be addressed to the Technology Center handling the application as follows:

By mail: Commissioner For Patents, P.O. Box 1450, Alexandria, VA 22313-1450
By facsimile: 703-872-9306

3. Petition To Revive An Abandoned Application (See MPEP 711.03(c) III)

Where there is no dispute as to whether an application is abandoned (e.g., the applicant's contentions merely involve the cause of abandonment) a petition under 37 CFR § 1.137 (a) or (b) (accompanied by the appropriate petition fee) is necessary to revive the abandoned application. The text of these rules is available on the USPTO Internet Web site. Forms for these petitions, "Petition For Revival Of An Application For Patent Abandoned Unavoidably Under 37 CFR § 1.137(a)," PTO/SB/61, and "Petition For Revival Of An Application For Patent Abandoned Unintentionally Under 37 CFR 1.137(b)," PTO/SB/64, are available in the forms section of the USPTO website: <http://www.uspto.gov>.

Petitions under 37 CFR § 1.137 should be addressed to the Office of Petitions as follows:

By mail: Mail Stop Petition, Commissioner For Patents, P.O. Box 1450, Alexandria, VA 22313-1450
By facsimile: 703-872-9306

Note: Abandonment takes place by operation of law for failure to reply to an Office action or timely pay the issue fee, not by operation of the mailing of a Notice of Abandonment

VERIFIED STATEMENT BY PRACTITIONER
IN SUPPORT OF PETITION UNDER 37 C.F.R. 1.81
THAT THE NOTICE OF ALLOWANCE AND ISSUE FEE DUE
WAS NEVER RECEIVED

David M. Rosenblum, an attorney of record in the above-identified case disposes and says:

1. In accordance with the standard office operating procedures of Praxair Technology, Inc., the assignee of record, when papers are received from the United States Patent and Trademark Office, the same are recorded by logging and date stamping each piece of correspondence upon receipt. Any Notice of Allowance is also entered into another log book for follow up by the month the issue/publication fees are due.

2. Applicant, has therefore, submitted herewith the aforesaid log for the month of January (attached hereto as Annex 1) indicating every piece of mail received from the U.S. Patent and Trademark Office and the other log for follow up indicating the issue fees due by April 6, 2006, three months from the date public records indicate that the Notice of Allowance and Issue Fee due was mailed. An inspection of the same discloses that no indication exists that said Notice of Allowance and Issue Fee due was ever received by Applicant's attorney.

D-21371

- 2 -

3. Applicant's attorney has also searched the file jacket for the above identified case and found no Notice of Allowance or Issue Fee due contained therein nor any notation that the same was received.

4. Consequently, upon information and belief and based upon the review of relevant docket records, discussed above, neither the assignee of record nor Applicant's attorneys of record ever received the Notice of Allowance and Issue Fee due mailed by the U.S. Patent and Trademark Office.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment or both under 18 U.S.C. 1001 and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
